EARTH HOUR 2016 STAFF LUNCH AND MOVIE

Join the Sustainability team on **Thursday 17th March** at **12:30 in the Council Chambers** for lunch and a movie in celebration of Earth hour 2016. **RSVP** for catering through the Sustainability Gippsland website event page – www.sustainabilitygippsland.com/events by Thursday **10th March**.

WHAT MOVIE? POLAR BEAR MAN

This documentary is about one man's struggle to find closure from his trauma as he returns to the scene where he was attacked by a polar bear.

Polar bear attacks on humans are not a new phenomenon, but they've remained relatively rare until the past decade. As explored over the course of this riveting film, one of the major culprits behind this upward shift comes from what some may consider a surprising source: climate change.

WHAT'S EARTH HOUR?

Earth Hour – a movement that started in Australia – is a simple idea that has quickly turned into a global phenomenon. Hundreds of millions of people turn off their lights for one hour, on the same night, across the globe to show their commitment to creating a more sustainable planet. Earth Hour 2016 is from 8:30pm – 9:30pm on Saturday 19th March.

To celebrate this annual event the Sustainability Team are hosting a lunch and movie for staff on **Thursday 17th March at 12:30 in the Council Chambers**.

RSVP for catering via the Sustainability Gippsland website event page – www.sustainabilitygippsland.com/events by Thursday 10th March
