

# Brave the chill to cut your bills

## Invitation to all local businesses - Breakfast in the Sale Mall

Learn how one local business owner has recently cut his electricity bill in half through implementing energy efficiency measures.

**Where:** Sale Mall at the clock tower

**When:** Thursday 29 May 2014

**Time:** 7.45 am to 9.00 am

**RSVP:** None required

**Cost:** Free

Join us for a free BBQ breakfast and tap into information and support for your business from the Victorian Employers' Chamber of Commerce and Industry (VECCI) and the Victorian Government's Smarter Resources Smarter Business program at Council's Sustainable Living Education Trailer. Visit the Renewable Energy Demonstration Trailer for independent advice on how energy efficiency and solar power can work for your business.

Find out how your business can access resources including a free business lighting assessment or resource efficiency audit through VECCI.

Receive information on how Gippsland businesses can join a discussion group on saving energy, resources and money.
